

Outstanding Green Facility

A Call For Entries!!

Mini-Storage Messenger continues its 22-year history of honoring the best in self-storage with the first annual Outstanding Green Facility award. This is your opportunity to tell us how your facility is embracing the challenge to grow your business while helping the environment. Selection will be based on the following criteria:

- **Energy-efficient features**
- **Water-efficient features**
- **Use of innovative, unique, environmentally friendly building materials**
- **Challenges overcome during building**
- **LEED certification**
- **Overall design and landscaping**
- **Indoor air quality**
- **Overall environmental impact of facility**
- **Green marketing techniques**

One winner and one runner-up will be chosen. The winner will be awarded a trophy as well as a profile in the April 2010 issue of *Mini-Storage Messenger*. The runner-up will receive a certificate and be featured in a "Development Details" column in a future issue of *Mini-Storage Messenger*.
